VOL. 13 NO. 24 WEDNESDAY, JUNE 14, 1972.

48 PAGES

15¢

10¢ BY CARRIER

Here they are - The Privelege - famed rock group who will be packing them in at the Kinsmen Beer Festival Friday night in St. Albert Arena. From left: Andy Krawchuk, Al McGee, Harry Krawchuk, standing, Mel Degan, vocalist, Stew Mitchell and Gerry Dere. The group will be a highlight of Rodeo 111, especially for the young crowd.

## Decorated Bike Contest Sat.

KIDS!! Don't forget to make your plans for taking part in the decorated bike contest Saturday, June 17. Judging will take place at 9:15 that morning at Sir George Simpson School.

A \$5 prize will be awarded to first place winners in each of the three categories: 1. Most Original; 2. Western and 3. Comical. The contest is sponsored by the Kinettes, open to all local youngsters, whether or not they ride in the Rodeo parade.

Parents are reminded that they are responsible for picking up children in the parade after it is over.

Rodeo Queen Janet Kelly gets a kiss from Kinsman Doug Woods, Queen Chairman, after he officially crowned her Monday at Town Hall, Holly Hill, a contestant is seen at left. Janet received a \$50 gift certificate and a Hoss hat, and all the contestants received rodeo sashes, tickets for two to The Privelege and Big Hoss mugs and badges. The four girls were invited to the Kinettes dinner meeting June 6th and judging was done by a panel of three Kinettes who were confidentially appointed. The girls were judged on personality, appearance, deportment and manner, and the panel reported to Kinettes president Betty Daley that it was difficult to choose between the four attractive and charming contestants. Geri Peterson and Lorraine Roy were the other two.

## Grandin Shopper's Park Marks 10th Anniversary With Official Opening of 120,000 Sq. Ft. Complex

Hon. Dave Russell, minister of municipal affairs will represent the provincial government at the grand opening of Grandin Shoppers Park Thursday, June 15 here in St. Albert.

From its very beginning Grandin Shoppers Park in St. Albert was destined to become a major shopping complex. Today, after only 10 years, Grandin houses 120,000 square feet of retail space occupied by 40 individual outlets which include a complete range of shops, stores, boutiques and allied services. For a community with a population of about 13,000 people, St. Albert's

Grandin Shoppers Park fulfills its function as the pivot of the business community.

In March of 1971, present owner of Grandin Shoppers Park, Leon Krygier purchased the shopping complex when it covered 40,000 square feet of retail space. Knowing the urgent need for additional retail space in St. Albert and anxious to provide lessees with covered mall facilities, Mr. Kry-

gier immediately started making plans for expansion.

Fifteen months and two million dollars later, Grandin Shoppers Park is ready for its grand opening of 80,000 additional square feet of retail space, accommodated in an air-conditioned mall and complimented by a total of nine acres of free parking space.

Leon Krygier, whose Grandin Shoppers Park is

affiliated with his Calgary firm of Carmor Co. Ltd. has been in the commercial development business for over 20 years. Besides Grandin, Mr. Krygier has been extensively involved in the development of six shopping centres, hotels and apartment blocks in Calgary over the years. As a matter of fact he is planning the

## \$20,000 federal funds awarded for project to clean up Sturgeon

Norman Lynch announced yesterday afternoon that a federal grant of \$20,000 has been made available for a clean up of the Sturgeon River within the boundaries of St. Albert, under Program 4.

The program will employ 34 young people, male or female, between the ages of 16 and 24 years, for six weeks, beginning July 3, at \$61.80 per week. The immediate step is to get applications from interested young

men and women.

The Edmonton Militia District will supervise transportation, supply tools and equipment and give engineering assistance and advice. Captain Norman Lynch and his wife, Captain Donna Lynch have been nominated as supervisors to head up the project and will work in co-operation with the town engineer and parks department. Mr. Lynch is a supervisor in logistics and administration, and Mrs.

Lynch is matron of 23 Medical Company with the Militia District. They make their home in St. Albert.

Mr. Lynch hopes to arrange a meeting, early next week with town officials and staff, when more complete details will be announced.

Deadline for receiving applications from young people for the project is Sunday and all interested are asked to apply in writing to: Captain Lynch, 51 Geneva Crescent by Sunday, June 18.

## Jamison favours park for University site

There has been considerable discussion in St. Albert on what the future of Athabasca University may be, and on my statement that I believe the land should be used for a provincial recreation park.

Many towns people have told me that the announcement was holding plans for construction of the university in abeyance for several years, was the best news they have heard in some time. Their reasons have usually been two-fold: they support a hold-the-line on construction costs until the need is clear, and they fear that a university on the site would probably spell disaster for an independent St. Albert. Other people have given me their view that the fourth university should be in Grande Prairie or Peace River, thereby syphoning off northern students presently coming to U of A.

Personally I was not in favor of the present site, and supported the Chamber

of Commerce brief proposing the site to the northeast of town, which BACM developers were prepared to provide. I am fully committed, and have been since coming here 5 1/2 years ago, to helping in every way possible to maintain St. Albert as an independent entity, separate from Edmonton by open areas.

A provincial park on the Athabasca site would ensure such an open area. In addition a most feasible looking proposal for a river development in the area, with promising recreational potential, is presently being considered.

The park COULD be planned in such a manner as to complement university or institutional buildings in future. Trees, for example, would have the advantage of several additional year's growth. However I would continue to be opposed to any use of the site which would attract development from Edmonton to our borders.

Continued on page 4.

## It's Rodeo '111' Week in St. Albert

# Rodeo will rock St. Albert

Rodeo weekend will get a rocking kick-off Friday night at St. Albert Arena, when the Privilege are on stage at the Kinsmen Beer Festival. Could be some of the young crowd will be late for the big breakfast Saturday morning at Lions Park, when St. Albert Lions will be serving up the pancakes and sausages in traditional western style for the sponsoring merchants at Grandin Mall.

This year's parade is shaping up well, with entries still coming in, and it looks like it will be as good or better than last year's. The Edmonton Klondike Posse will be performing their famous musical both in the parade and at the rodeo grounds. (Elsewhere the Posse ride has been mentioned as the Edmonton City Police musical in error).

Eight bands have been entered to date: The 1972 award winning Jasper Place Composite High School Rebel band; the St. Albert Air Cadet band; the Klondike Boys Drum and Bugle band; both the Alberta All Girls Drum and Bugle band; the Edmonton Boys Pipe band; the Edmonton All Girls Drum and Bugle band

and the band with the Klondike Posse. Scores of floats, eight clowns and the popular mounted sections will again be on hand for the parade which will be watched by thousands.

At 12 noon action is underway on two fronts - the Rodeo Grounds and Midway opens and the Kin Beer festival gets underway at the arena with a fine program of family entertainment at no charge. Entertainers are the Alberta All Girls Drum and Bugle band, the Pitch and Spice, Sing Out St. Albert and The Gringo, a late added attraction which is sure to be a hit.

A demonstration by the Canadian Forces Free Fall Parachute Team is scheduled for 1:45, just preceding the official opening by the Hon. Marcell Lambert at two o'clock. Kin president, Dave Stewart, Rodeo Chairman Ken Pollen, Big Boss Art McDonald and Rodeo Queen Janet Kelly will be on hand for opening ceremonies. Then it's "On with the Rodeo" and the cowboys go into action in seven rodeo events. The Edmonton Klondike Posse Musical Ride will provide something different for intermission.

Watch the crowd gulp the sausage in the CFCW Kobasca contest at 4:30 Saturday evening. The Parachute team goes at 7 followed by a rodeo performance at 7:30. At the arena the Beer Festival gets underway at 8, with Erwin's Bavarian Band and Jodeler Grotly.

Grounds open again at noon Sunday and the Parachute team will again be entertaining before the rodeo performance at 2 o'clock. Awards to the win-

ning cowboys will be made at the conclusion of the rodeo events and draw for the Kinsmen \$1,000 bill. Then its more fun with Kobasca eating at 4:30 before grounds close at 6 o'clock.

## AROUND TOWN

The four giant boulders now sitting placidly in front of the Arena are going to become part of a major landscaping project under the direction of John Beedle parks superintendent of the Town of St. Albert. Located months ago about 23 miles north-west of St. Albert toward Onoway, these boulders were hauled to their present resting place by

means of a Kordyban Transport Ltd. low-boy and hoisted with a sling on a gin-pole. The total weight of these four giants tip the scales at 29 tons. Mr. Beedle, in his plans to landscape the front yard of the Arena will plant 12 trees, sod and erect benches. The intent is to dress this bleak area and convert it into a beautiful and restful spot.

## parade route

Parade entries start forming up at 9 a.m. Saturday and Marshall Ron Levang states it will begin at 10 SHARP. Entrants pick up numbers from a car at Ball Avenue and Grandin Road. The parade finishes on Mission Avenue at the school.

## Stan Sholtan Elected Lions Breakfast Head

St. Albert's distinguished Lion, Deputy District Governor Rock Holman officially installed the Breakfast Lion's new executive Tuesday morning. Incoming officers are: President, Stan Sholtan; 1st Vice President Adam Hauptman; 2nd Vice-President, Harry Hutchings; 3rd Vice-President, Jim Maguire; Sec.-Treas., Eric Robinson; Recording Secretary, Lorne Johnson; Directors, Gordon Snider, Lou Leclair, Dr. W. Cuts and Chuck Meurin; Tall Twister Harry Gaffney; Lion Tamer Jack Cawthra.

While going into the business portion of the meeting, out-going Lion President John Kaminski called upon

committee chairmen for reports. Lion Eric Robinson, who has been spear-heading a helium balloon long distance contest reported that the Lion booth was ready to go and so was his project, with the exception of volunteers to man the booth during the two-day Kinsmen Rodeo. The president promised to assist in finding about 18 volunteers.

Lion Ed Dunkl, in charge of the float in co-operation with the Supper Lions for the Kinsmen Rodeo parade also reported that everything was ready for the big event with the exception of two volunteers who will participate in the parade. Two brave Lions came forward.

The membership agreed that the bandshell should be painted before the Kinsmen Rodeo and a committee chairman for this project was named.

Results of the Lion Auction revealed that approximately \$400 was realized through this project and quite a large quantity of saleable goods remain unsold.

Dates to remember: June 26 - Bandshell Concert by the Saskatoon Lions Band.

# Gazette Reader Comment

## Bike Infractions

Will we do the same with bicycles?  
(Mrs.) Ardyth Garrison

The Editor:

Some two or three weeks ago, members of the local RCMP visited schools to discuss regulations pertaining to bicycle riding. Youngsters were told that the penalty for infractions of these regulations would be impounding of bicycles. News items to this same effect appeared in both this paper and the Journal.

Everywhere you look today children are still "doubling" and riding on sidewalks. Were the above mentioned notifications idle threats? It seems to me that it is time that action be taken. With schools soon closing there will be more children on the streets more of the time and, most likely, more flaunting of bicycle regulations. We waited for a tragedy before doing something about firecrackers.

## Budget Cuts

The Editor:

After reading of Sturgeon Council's pathetic search for ways of cutting the budget, I can only presume that the fine tooth comb they used had quite a number of teeth missing. It slipped over the nice fat \$450 a month, 15¢ per mile and \$50 a day and mileage for conventions they awarded themselves.

My heart bleeds for them, but it bleeds a lot more for myself and other Sturgeon taxpayers who have to foot the bills created by these super egotists.

Hugh Allen,  
Bon Accord.

## Around Town

### Grandin

Continued from page 1

official opening of the 60-room Majestic Inn in Calgary on November 1st, of this year.

Busy as he is, Mr. Krygier took a month off this spring and travelled extensively with his good wife Annette to Israel and western Europe. During their holiday trip, Mr. and Mrs. Krygier visited with their daughter Shirley-Rose, 21 years of age who is studying in Haifa and their other daughter, 19 year old Carol-Suzan who is attending college in Geneva, Switzerland. The pressure of business forced Mr. Krygier to return home after 30 days but Mrs. Krygier stayed behind for an additional two weeks. "She'll be here for the grand opening on June 15," Mr. Krygier said. The other two members of the Krygier family are Wayne Allan, 17 who is a student at the Ryerson Institute, Toronto while the youngest Marilyn Francis, 15 is in high school in Calgary.

"We're not finished yet with our development program for Grandin Shoppers Park," said Mr. Krygier, "we are presently in the process of building an additional 40,000 square feet of retail space." He refrained to divulge for the time being the name of the lessee or lessees interested in the proposed 40,000 square foot area because, "things are under negotiation," he said.

The official opening of the 40-store Grandin Shoppers Park will be held Thursday, June 15 at 6 p.m. Taking part in the ceremonies will be Hon. David Russell, minister of municipal affairs, Ernie Jamison, M.L.A. for St. Albert, R. Kambooroff, deputy-mayor of St. Albert and Mr. Krygier, president of the complex.

### Athabasca Park

Continued from page 1

To reclaim Big Lake, and develop it as a central component of a recreation park, hinges on the implementation of the Sturgeon River basin development, including dams and water diversions. The project is estimated at \$250 million in today's figures, and the investment is out of the question for many years, given the more urgent problems of several major river systems in the province. As a bird sanctuary in its natural state it would add to the pleasant surroundings of an educational or institutional development on the high ground overlooking the lake on the north side.

I would like it to be known that program of planning for future universities is continuing, and that at the earliest possible opportunity a pilot study will be carried out at the University of Alberta on Dr. Byrne's concept of an open university. The government will at all times be fully abreast of the advanced education requirements and construction of facilities will be planned to keep pace with student's needs. In my opinion politics should not play a part in the decision making and the public should be given opportunities to air their thinking before a decision is made on the use of this site.

MARCEL LAMBERT

Marcel Lambert (PC-Edmonton West) will officially open this year's Kinsmen Rodeo 111 at 2 p.m. at the Rodeo Grounds, June 17. Assisting with opening ceremonies will be Rodeo Queen Janet Kelly, Kinsmen President Dave Stewart and Rodeo Chairman Ken Pollon.

# Cool it

# with NO FROST

Cool it ... nice and easy. Cool it ... the no-frost way. The only ice your refrigerator should be making now is the kind we put in tall glasses. So if defrosting that old-fashioned fridge week after week has you up tight ... cool it! ## Dairy Queens look 'Creamy' in new jerseys

Thanks to the sponsorship of Max McCann, owner-manager of the St. Albert Dairy Queen, one of the four teams of the newly organized midget division of the St. Albert Hercules Girls' Softball League is currently sporting new soft-ball shirts.

The new red jerseys, trimmed in blue and white and purchased at the St. Albert Sportsshop, are being worn by a 15-member squad

of girls (14 years of age and under). Known this year as the "Dairy Queens," the team is coached by Rick Schuchard.

As of last Monday, the D-Q nine are in solid second place behind the front running Kellough Colts, tutored by veteran area soft-baller, Norm Murray. Coaching the third place Texaco Distri's is Al Car-rins while Isobel Lloyd mas-terminds the always-tough,

last-place Giants.

The playing roster for the Dairy Queens is the following: pitchers - Terry Ogonoski and Wendy Weismoral; catcher - Maureen Anderson; outfielders - Suzanne Pearson, Pauline Provincial, Marit Matychuk, Lynn Bes-setti, Laurel Holth and Donna Sutherland; infield-ers - Shirolee Obotinsky; Margolee Crooks, Carol Rasmussen, Bev Towend, and Susan Schuchard.

The Dairy Queens are in-terested in scheduling exhibi-tion games with girls' teams outside of St. Albert.

The St. Albert Devils, who play in an Edmonton Midget League have so far this season played 12 games and won six, which isn't bad a record. Above they are seen sporting brand new uniforms, thanks partly to the generous donation from Maurice Belley, a local baseball enthusiast and sponsor. The remaining costs for the uniforms were covered jointly by the player's and the St. Albert Lions and Knights of Columbus. Back row (left to right): Coach Earl Millman, Mike McNeely, Gary Greening, Doug Belley, Roger Belley, Randy Reinbolt, Paul Smithson, and Coach Jack Greening. Front row: Chris Keith, Doug McKenzie, Matt Lister, Steve Hoffart, Bob Longpre, Tom Millman and Stuart Johnson.

## Little League

Last week saw excellent baseball weather once again, right up until Thurs-day when the rain started and the bantam division was washed out.

It is to be hoped that these games may be made up as soon as possible so that the leagueschedule may be completed before the end of June. With the coming of summer holidays, all coaches will find it more difficult to field teams.

At the end of the week the results were as follows:

### MOSQUITO DIVISION:

	W	L	Ratio	S
Phillies	8	0	1,000	1
Totems	7	1	0,875	2
Broncos	6	1	0,859	3
Lions	6	2	0,750	4
Red Sox	3	4	0,428	5
Apollos	3	5	0,375	6
Eskimos	1	6	0,143	7
Mustangs	1	7	0,125	8

### BEAVER DIVISION:

	W	L	Ratio	S
White Sox	7	1	0,875	1
Angels	6	2	0,750	2
Pirates	4	2	0,666	3
Giants	4	2	0,666	3
Dodgers	2	6	0,250	4
Braves	1	5	0,166	5
Mets	0	6	0,000	6

### BANTAM DIVISION:

	W	L	Ratio	S
Cubs	7	0	1,000	1
Expos	3	2	0,600	2
Cardinals	4	4	0,500	3
Orioles	1	5	0,166	4
Twins	1	6	0,143	5

## Saints postpone tourney

St. Albert Willowbrook Saints annual baseball tournament scheduled for last weekend was cancelled due to rain. Manager Rudy Schelbhofer would like to apologize for any inconvenience caused and assures us that the popular tournament will be held later on this summer.

## Morinville Baseball

### Tournament This Week-end

The annual Morinville Frontier Daze baseball tournament will be played this weekend with eight teams participating.

Saturday's action gets underway at 12 noon with Bon Accord vs Vimy and at 3 p.m. Morinville takes on Gibbons.

At 5 p.m. St. Albert goes against Alexander Graves

and Redwater plays Legal at 7 p.m.

Sunday's semi-finals start at 12 noon, with the second game going at 3 p.m. and the final slated for 6 p.m.

The St. Albert Willowbrook Saints won the tournament last year with an 11-0 win over Morinville.

# Hercules Soccer

Last week the St. Albert Atoms defeated Lauderdale 2 - 0 on goals by Claude Joly and Steven Austen. Despite opening round losses to Rosslyn and Central S.C., the Atoms figure to place well in their division and have seven remaining games. Herman Kochan, coaching a team which consists solely of first year representatives is getting solid performance from left half Rick Gray and left fullback Terry Droula. Forwards Joly and Jamie Shypitka are the team's leading scorers with five goals each. The Atoms will be at home Thursday for a game on the Simpson field against Rosslyn. Kick-off will be at 6:45 p.m.

Playing in well-matched premier division, the St. Albert Peewees lost 3 - 0 to Killarney last Tuesday, but rebounded on the Friday for a 1 - 0 Challenge Cup victory over Kilkenny. Centre forward Martin Holden scored the winning goal. The team is playing a strong defensive game, anchored by Edmonton All-Star prospect Doug

Nixon in goal. Most of the scoring strength comes from Holden and wingers Kevin Telford and Brad Tschuk. Dave Kirk and Ian McCall coach the peewee boys.

Last Monday the St. Albert Bantams shut out Dovercourt 10 - 0. Centre forward Guy Armstrong led the team with four goals. Stuart Mitchell and Brian Kahol scored two each, and singles went to Dave Hancock and Lanny Averill. On the Wednesday the team met Kenilworth for an exhibition match which ended in a 2 - 2 draw. St. Albert goals coming from Hancock and Mitchell. The bantams are a game behind league-leading Athlone and meet this team Wednesday night in an away game.

John Alliston's Midget Club currently holds fourth place in their six-team division. The midgets defeated Lauderdale 5 - 0 last Monday as centre forward Geoff Holden scored a hat trick, supported by Gary Ferguson and Barry Alliston. The next night the team was knocked out of Challenge Cup play,

losing 2 - 1 to Killarney as Holden managed the lone St. Albert marker. Ken Webb played a fine game in goal, and bantam Dave Hancock acquitted himself well after being called up to play inside left.

In the Mite league Tommy Munro led the scoring as the Rangers defeated the Saints 7 - 2. Tommy's tally to date is reported by his coach as "about 25 goals."

The Tigers had a field day as they downed the Cougars 6 - 1 in an Atom League game. Neil McRae netted three, Steve McKenzie two and Joe Ainsley 1.

In the reporting of games it is usually the goal scorers who receive recognition in print because of the space required to provide more than a brief description. However it is the defence, who clear the ball up to the forwards to provide an opportunity to score, who are the unsung heroes of soccer. No more so than the goal-keeper who can gauge the effectiveness of his defenders by the number of shots

on goal he has to cope with. Soccer is a demanding sport, which to achieve successful results, requires a team to consistently try to retain control of the ball by beating opponents to the ball, intercepting passes, chasing loose balls and aggressive but clean tackles, to win control of the ball or at least delaying the progress of an opponent so that a team mate can catch up to the play and help in keeping the advantage over the opponents.

## Fastball League

Third baseman Emil Berube cracked a grand slam home-run in the fourth inning to pace the Calahoo Chiefs to a close 11 - 8 victory over Grandin Esso in a nine-inning game last Wednesday in St. Albert. Artie Stevenson was on the mound for the win, while Mike Hampel took the loss.

Calahoo's win moved them into second place in the league standings behind Spruce Grove Panthers.

On Monday, CJD also used a three-run homer by George Fraser in the first inning for a 9 - 3 win over Grandin Esso. Rudy Schan was the winning pitcher.

## Local team squashes city A squad

St. Albert's only unbeaten Mosquito, a baseball team the Phillies, knocked over a previously undefeated Mosquito A team from the Kensington Community League of Edmonton last Wednesday, 9 - 4 in an exhibition game played in St. Albert.

The home team Phillies overcame a 2 - 1 Kensington lead in the second inning to go ahead 3 - 2 when pitcher Sajiv went on a wild spree. Here Bernie Penner, on the mound for the winners, blanked the Edmonton team until the fourth stanza when clean-up hitter De-Haan hit a circuit clout in deep centrefield with no one on base. The same inning saw the Phils score four runs off successive hits by Colin Parayko, Pat Merrigan, and Penner.

The Kensington A's were last year's Northern Zone winners in the Mosquito Division.

## Sturgeon Hospital Open House

Over 300 persons from St. Albert and surrounding area took advantage of the Sturgeon General Hospital's open house Sunday, June 11. Officials of the hospital board and members of the staff, responsible for the highly successful event were gratified especially with the interest shown by the young-

ger set who came in good numbers.

The Sturgeon General Hospital's open house started at 1 p.m. Visitors, in groups of about eight persons each were shown through the entire hospital and acquainted with every ward and facility. What made the groups particularly aware of what a hospital is all about were the many displays depicting a series of the more common operations. There were also displays of broken bones and fractures which also impressed the hundreds of visitors.

Besides administrator C. F. Keyes and staff, members of the hospital board responsible for the open house on Sunday are: J. W. Flynn, chairman, representing the MD of Sturgeon; J. deBruijn, vice-chairman,

representing the Town of St. Albert; R. Blackburn, representing the Town of Morinville; L. Kluthe, representing the MD of Sturgeon; L. St. Martin, representing the Village of Legal; Mrs. A. Sonntag, representing the Town of St. Albert and S. Walker, representing the MD of Sturgeon.

Since its official opening on August 5, 1970, the Sturgeon General Hospital has gradually increased its patient/day ratio as can be seen by the comparison between January to May activities last year and this year:

	1971	1972
Patients	1,125	1,367
Births	68	81
X-Rays	2,583	4,265
Lab.	27,726	41,545
Meals	3,375	4,161
Physio-T.	0	2,953

Sharon Ryndman, chief lab technologist at Sturgeon General Hospital describes blood typing and hematology techniques to visitors at the open house on Sunday. This was one of many displays and special area demonstrations arranged for the occasion. Before leaving the visitors were served coffee, punch and cookies in the hospital cafeteria by staff and auxiliary members.

Commercial Cooking: Benjamin Kennedy, Coronado.

Computer Systems Technology: Gregg Allan Schneider, Legal.

Dietary Technology: -- Laura Alda Erickson, Coronado and Cathie Lee Wilson, St. Albert.

Marketing Administration (Advertising Major): Donna Marie Majeau, St. Albert.

## District 3 Boosts Sub-Teacher Scale

A report from Trustee Sylvia Walsh, at the St. Albert Public School meeting Thursday evening revealed that the administration committee was in full agreement with a proposal that the board initiate an essay contest aimed to the RCMP centennial year. She said the admin. committee received the suggestion with a great deal of enthusiasm and Mrs. Walsh now sought further direction from the board. Trustee Don LaBelle made a motion that Mrs. Walsh prepare details of how the essay contest will be conducted and present her report at the next meeting. The motion was unanimously carried.

The substitute teacher wage scale was reviewed and found to be slightly below pay schedules in other school systems. Trustee Don LaBelle made a motion that the presentsalaryscale for sub-teachers be increased from \$20 per day to \$22.50 for teachers without a degree and to \$24.50 for those with a degree. The motion was carried 4 - 1

with Trustee Sylvia Walsh voting against the motion. In the superintendent's report segment of the meeting, Vince Maloney reported surveys presently being done regarding future needs for a public school in St. Albert. He explained that the study is being done in respect to future needs but declined to say whether a fifth school would be added to the system in one, three or five years. He said, "when another school is needed, we'll know what we require, whether a junior or senior high."

A teacher seminar budget of approximately \$500 per school was suggested by Mr. Maloney and the board referred this proposal to the policy committee.

The 1972-73 school year was approved unanimously on a motion by Trustee Mrs. Sylvia Walsh. Its terms state that the present school term will end June 23 and classes will resume on August 28. The total number of operating days is 197 and instructional days next term will total 192.

Regarding Father Jan's portable school, a price of \$2,500 to move and set-up a portable was found to be too much of an expenditure and an alternative was suggested whereby another portable, this one located at Mission Park will be negotiated for. The motion was made by Trustee Al Gannon and received a 4 - 1 approval. Trustee LaBelle voted against the motion.

Regarding transitional classes, Trustee Hawrish expressed strong opposition

to the labeling system and suggested that the word "transitional" be dropped entirely from the school system of terminology. After a considerable amount of discussion, the board approved the suggestion thus implementing a new rule which will in effect encourage teachers and students alike to refer to former transitional classrooms as regular classrooms without embarrassing labels.

## "Picnic Express"

Douglas Fullerton, imaginative chairman of Ottawa's National Capital Commission, is at it again. The man who set up garden plots for city-pent Ottawans in summer and turned the Rideau canal into three miles of skating rink in winter, is now coming up with a fun train, a weekend 'Picnic Express' running up the Gatineau to Wakefield in Quebec. Fullerton plans "a train like no other," with an old steam locomotive which will huff and puff in the best fashion of yesterday. In the jet age, any leisurely old passenger train evokes nostalgic images of another time. Fullerton's dream train goes on better. The Financial Post says: It is to amble along in carefree rapture as the older ones might have liked to do but could never quite pull off.

SEND COUPON TO THE EDITOR OF THIS NEWSPAPER ... or call him!

Yes... it's easy to nominate a young Albertan you're proud of for an Alberta Junior Citizens of the Year Award. But think how much it means to the boy or girl you nominate! He or she can qualify for this province-wide honor and the Canada Savings Bond award that goes with it.

**Who to nominate.** The awards are made for many reasons. Not only for acts of physical courage, but also for unselfish conduct and social responsibility. Nominate any Alberta youngster of whom you feel proud. OR... NOMINATE A GROUP!

**Age limit extended!** This year... something new. The qualifying ages now range from childhood to young adulthood: 6 to 18 years of age. Send a nomination to your editor now... and give a young Albertan one of the proudest moments of his or her life!

357 ST. ALBERT ROAD  
ST. ALBERT, ALBERTA.

Terry Scott, son of the owner of Camelot has just prepared a chocolate cone for Peggy Wagensveld of 16 Geneva Crescent. This four-year-old lady was in a real dilemma, she was torn between the ice cream and posing for the picture. Like a real lady, she got both.

A couple of real 'pioneers' of Grandin Shoppers Park are Fred Zottl (left) and Vern Tomkins. Here we see Vern showing Fred garden seeds a moment after Mr. Zottl had bought a shovel to do a bit of digging around his garden. Both opened their respective businesses in 1962. Mr. Zottl is co-owner with Marcel Chartrand of Grandin Park Beauty Salon and Barber Shop while Vern Tomkins owns and operates Tomkins' Marshall-Wells Store.

## Around Town

The St. Albert branch of the Royal Canadian Legion has made arrangements to be open on Friday evening, Saturday afternoon and Saturday evening, in order to fit in with Rodeo activities. There will be entertainment at the Legion Hall both evenings.

Janet Kelly, Rodeo Queen contestant, is not really learning to be a radio announcer, as the cutlines below her picture in last week's Gazette might have indicated. What she does do and enjoy is BIKE riding.

Special guests of the CWL meeting honoring Sadie Ross

were her daughter Sheila, her sister Mary Kelly, two sisters-in-law, Anne Stanton and Alice Ross, and Mrs. Vanne. A silver souvenir spoon, brought by Mrs. Ross from Fatima, Portugal, and drawn for during the evening was won by Anne Marie Venne.

Anyone witnessing an accident at the Bonaventure traffic circle between a red Volkswagen and a large truck, on June 13th at 5:45 p.m. is requested to please contact Mrs. Sumann, at 599-3563.

## Association Lends Help To Handicapped Students

Because of a never-growing need in St. Albert and surrounding areas for special teaching facilities tailored to assist children with learning disabilities, a local organization, formed in December of 1971, has been actively assisting local school systems in a quest to improve this urgent dilemma.

The local group called Sturgeon-St. Albert Association for Children with Learning Disabilities (SSA-CLD), numbering about 30 paid up members, felt not enough was being done for children with learning disabilities and decided to organize and press for action. They are presently meeting with local school boards in an effort to recruit their assistance in a concentrated drive towards obtaining financial help from the provincial government to establish an education clinic for the Sturgeon-St. Albert area.

Spokesmen from SSA-CLD presented recommendations to the board of School District #3 Thursday evening and received praise for their efforts. In addition to a pledge from School Superintendent Vince Maloney that he will gladly attend a SSA-CLD meeting Thursday afternoon June 15 along with Mr. George Soetaert of the public school system,

Mr. Maloney however, did point out to the SSA-CLD delegates that School District #3 with himself as major spokesman, had al-

ready been working closely with this problem for many years and felt that major gains had been made with prospects at the moment, "looking quite good." Mr. Maloney explained that he and other school superintendents, plus health unit directors and government officials had stimulated sufficient interest that, "we are anticipating positive changes soon."

Representatives from SSA-CLD, in their report, revealed their long-term plans. These include basic screening of four year old children by Sturgeon Health Unit personnel, and that those children, identified as having learning disabilities, should be given clinical diagnostic testing to determine the degree of the disability and followed by a recommendation of the type of learning program required for each child. The brief pointed out that at present, diagnostic facilities, such as the Provincial Guidance Clinic, University Clinic and the such cannot provide the service required to properly diagnose the number of children suffering from one of the many types of learning handicaps.

"Our child has a learning disability," said a member of the delegation, "and it

took us over a year of waiting before we could get through the clinic." She then admitted that the various clinics are overloaded with work but couldn't see why, parents with children suffering with learning disabilities should be the victims. "The outright loss of a year of schooling for any child is a tragedy," she said.

The SSA-CLD brief made additional recommendations along with observations. The brief suggests that four year olds ought to be screened then assigned to an appropriate kindergarten, "but no appropriate kindergarten exists." Beginners with disabilities should be identified before school starts and assigned to special classrooms, for which SSA-CLD presumes would qualify for the special education grant of \$5,000 per class.

In concluding their submission SSA-CLD delegates said that more meetings will be held, including the various school systems to establish steps which should be taken before the 1972-73 school year.

This is Grandin Shoppers Park as it looks from the air just a few days before its grand opening, Thursday, June 15. This giant shopping complex was started 10 years ago and was purchased by Leon Krygier 15 months ago. At the time of purchase, Grandin Shoppers Park was only one third of what it is today. It covered 40,000 square feet of retail space while today 120,000 square feet are occupied by 40 different stores, shops and boutiques. Part of the \$2 million expansion program just completed also includes a covered mall running the length of the major section seen at left. Plans are in the making at present for an additional development of 40,000 square feet of rentable space which will be going into that area at the upper right of the picture.

# Bon Accord Hotel invites one and all to 3 - day opening of Ducky's Tavern Beginning June 22

An official ribbon cutting ceremony on Thursday afternoon, June 22 will get the three-day Grand Opening festivities at Bon Accord Hotel off to a flying start. The ceremony goes at 2 p.m., and refreshments, coffee and donuts will follow. Live entertainment will be a feature of the celebrations and Don, Liz and Jean Grant

are inviting all the residents of the large area surrounding Bon Accord to come and see the new Ducky's tavern, just completed as an extension to the hotel.

Bon Accord Hotel is located on Highway 28, 17 miles from Edmonton north from Northgate shopping centre; 15 miles west of Fort Saskatchewan, 11 miles east

from Morinville, 20 miles south of Redwater. Visitors from St. Albert can go via the new hard surface from Vollmer corner to Highway 28. The village of Gibbons is Bon Accord's nearest neighbor.

The hotel expansion and remodelling was begun in March and completed at a cost of \$75,000. Ducky's Tavern features spanish decor, with rich wine and green tapestry and carpeting, and a lifted floor. The up-to-the-minute lounge, which has a standing bar, snack bar and a new liquor bar will soon be finished. Beer will be served from a standing rail, direct from kegs displayed in refrigerated

stands. Liquor, beer and wine will be served during regular hours. Live entertainment will be featured every weekend at the hotel.

New modern rest rooms have been installed and new sidewalk and pavement are going in for increased customer convenience. A new colorful pedestal sign will greet travellers on Highway 28 entering or leaving Bon Accord.

Madeline's Cafe, operated for the past eight years by Madeline Mason in the hotel building, will continue to serve home cooked meals and piping hot short orders or snacks to patrons.

"Hospitality" is the magic word for the big opening

days - June 22-23-24, when Don and Liz Grant will welcome visitors to Ducky's

Tavern, and Jean Grant will be the hotel hostess "where friends all meet."

Liz and Don Grant are busy with final preparations for the big three-day opening of the expanded Bon Accord Hotel on June 22-23-24, when they have the welcome mat out for one and all to visit Ducky's Tavern and licensed lounge.

**CONGRATULATIONS**

## Grants invite guests for Hotel openings

Don, Elizabeth and Jean Grant have invited a number of well known men from town and district government circles to be their official guests at the opening of Bon Accord Hotel and 'Ducky's Tavern' on Thursday, June 22, Ernie Jamison MLA, Mayors Elmer Brennan of Bon Accord and Spencer Holmes of Gibbons, Walter Jerram, MD councillor for Division 7 and

Bon Accord councillors Jim Nicholson and William Deedman will take part in the opening ceremonies at 2 p.m.

Construction on the addition of a new lounge for the hotel began last March, and Ducky's Tavern will seat 300 guests, providing lounge, tavern and dancing facilities for the expanding town and district.

## BON ACCORD

By Sadie Allen

There will be a farewell get-together for Mr. and Mrs. Arthur McCue in the Bon Accord United Church on Saturday, June 24 at 8:30 p.m. Arthur and Muriel will be making their home in Edmonton and will be greatly missed in the community. Everyone is invited to attend and ladies are asked to bring lunch. For further information contact any UCW member.

Mesdames Amber Hewitt, Ella Plumtre, Jean Briggs, Margaret Hewitt and Ruth Cline were guests at a Lilac Tea at the home of Miss Jean Sloan on June 7.

Dr. Geraldine Hancock Forbes gave a lecture entitled "Why Bangladesh" in the United Church on June 6. Currently teaching South Asian history at the State U. of New York at Oswego, Dr. Forbes has been visiting her family Mr. and Mrs. Ed Hancock. This summer she will do research in India on the role of Indian women in the Nationalist movement. The lecture on Bangladesh was well attended and a substantial amount was collected for Bangladesh missions. An informal discussion over coffee continued in the church basement.

Guides and brownies wish to thank all those who received them so cordially in their recent, very successful cookie sale.

The 18 and under girls' softball team romped home with the prize in the Josephburg Tourney on Saturday, June 10, winning over Andrew, Josephburg, and Horshills 37 - 5, 28 - 1 and 28 - 1. Congratulations girls and coach Gail Critchley.

In off hours this corner of the tavern at Bon Accord looks mighty neat and tidy. Photo shows part of the new addition where decor is in Spanish style.

Congratulations to

BON ACCORD ALBERTA

## Wm. Deedman early promoter for hotel

William Deedman was a major promoter in the early fifties for a hotel on Highway 28 at Bon Accord, and his foresight has proved accurate with the large expansion just completed on the site. The original Morin Hotel opened on June 14, 1955 with 10 rooms, beverage parlour and a cafe. The builder was the late Ed Morin, formerly of Fort Saskatchewan.

Six years later the hotel was purchased by Mr. and Mrs. Don Grant, Jean Grant and Mr. Charles Bowman. The Grants became sole owners and operators in 1966 and have steadily improved the facilities and planned for the expansion just completed. Don and Liz Grant originally came from the Cardiff-Morinville district.

Many are the pieces of homemade pie that Madeleine Mason has served up over eight years in the coffee shop at Bon Accord Hotel. With the latest new addition, she will be baking more pies than ever to serve patrons from the growing village and district.

That 'over-lovin' shuffleboard is a popular attraction at the Bon Accord Hotel. The new board, one of two on the premises, is seen above with mirror where spectators can watch the play.

## Fantastic sex traps to aid agriculture

New types of chemical sex traps for insect pests -- pheromones -- are getting a lot of attention from Agriculture Canada scientists. The research is centered on using pheromone traps to measure pest populations. Pheromone power has been described as 'fantastic' -- one milligram of cooling moth pheromone on a rubber band attracted male moths in a field for 79 days.

The coffee shop offers hot short orders and snacks for customers of the Bon Accord Hotel and Ducky's Tavern. A Sunday customer enjoys a hot dog and staff on duty are Bernice Strid and Doris Mabbot.

## BON ACCORD ACTIVITIES

The league play-offs for the softball teams will be held at Horsehill on June 17 and 18, and for baseball at Gibbons on June 24 and 25. Make your plans now to come and support your local teams. The players really appreciate a rooting section.

The men's baseball team tied Vimy on June 6 and won

over Legal on June 8. They will be playing Vimy at 12 noon on June 17 at Frontier Days Tournament in Morinville.

A large crowd of friends and relatives gathered at the home of Frank and Margaret Rigney on June 12 for a two-in-one party, a house warming, and to honor them on the occasion of their

Silver Wedding Anniversary. The couple were the recipients of many gifts including a silverservice from the Potter and Rigney families and a wall clock from their children. Master of ceremonies, Keith Everitt, presented the couple with a plum tree decorated with silver dollars on behalf of the community.

Get well wishes to Mrs. Anne Brennan and Brian Bland, both at the Fort General Hospital.

Sympathy of the district is extended to the John Pan-chyshyn family in the loss of wife and mother.

## Margarine Butter Color

Alberta consumers will be able to buy butter colored margarine by July 31st, the result of a private member's bill by Catherine Chichak, MLA for Edmonton-Norwood.

George Caldwell, president of the Institute of Edible Oil Foods commented that the move will stimulate rapeseed farming and rapeseed oil processing.

Until the present, only British Columbians and Newfoundlanders have been able to purchase and manufacture margarine free of color laws. (An amendment to the Saskatchewan Margarine Act on March 30 of the year will permit margarine to be sold or manufactured in a butter color on July 1).

## Gibbons

By Gladys Morin

On June 5 the Ladies Auxiliary to the Canadian Legion held their last meeting until fall.

There was a discussion on the cold plate supper, July 1st, which is being served from 5 p.m. until 8 p.m. in the Legion Hut, and the pancake breakfast, July 2nd from 8 a.m. until 10 a.m. in the Community Hall. Admission for the pancake breakfast 12 and under 50¢ and \$1 for anyone 13 and over.

Mrs. Kay Rossiter, district commander 226 from St. Albert was present to present a life membership to Mrs. Stan Alfrod. Mrs. Alfrod has been a charter member since 1949 and was secretary for many years. Miss Connie Roberts also received a life membership she has been an active member for many years as Sergeant at Arms. Mrs. Rossiter gave a short talk on a convention in Saskatchewan which she attended.

Mrs. Della Gibbons showed slides of England and Scotland taken on a recent trip.

A delicious lunch was served to conclude a very delightful evening.

Mrs. Harvey McLean, Gibbons Postmaster, travelled to Grande Prairie for the Postmaster's Association convention on June 2, 3 and 4.

Many relatives and friends gathered at the home of Mr. and Mrs. Bucky Mabbott on June 3 to wish farewell to Mr. and Mrs. Ronny Ross and family who are leaving to spend two years in Algiers with Commonwealth Drilling. Mr. Ross left June 5 and the family are to follow late in August.

A speedy recovery is wished to Mr. Dale who is in the General Hospital at Fort Saskatchewan.

Don't forget to purchase your tickets on the trip to Hawaii (or \$1,000) before July 1.

# CWL honors Sadie Ross for 40 years of service

It took a little maneuvering, but members of the St. Albert Catholic Womens League completely surprised the guest of honor at "Sadie Ross Night" last week. The supper and program which followed, marked 40 years of service in the league by Mrs. Ross. "This is your life, Sadie Ross," a review of her work in the league and the community and a personal history, was given very capably

by Bridget O'Keil, who spiced the account liberally with amusing anecdotes.

Mrs. Ross was presented with a Life Membership in the CWL and as such will be a member of the St. Albert Council, CWL. Father Colin Levangie made the presentation of a long service pin, saying that "if our lives change for the better those whose lives we touch, that is a good sign." Having worked in this parish for

seven years, I can agree that this is true of you," he said. This was the first time the league has presented the new service pin, designed with the league crest superimposed on a golden maple leaf. It is awarded for outstanding service to the league.

Anne Marie Venne, president of the league presented Sadie with something "a little more personal" - a beautifully hand lettered scroll in gold colored frame with hand painted border of lilies. "Ours is a young council!" said Mrs. Venne, "and often through our growing pains we were fortunate in having Sadie to tell us how to get things done." Done by the Sisters of the Precious Blood the scroll marks the granting of the life membership to Mrs. Ross, the first given by St. Albert CWL.

Sadie was one of a family of seven, whose parents were pioneers of the Vegreville area. Mr. and Mrs. James Stanton. If Mrs. O'Keil's account is to be believed she was not exactly a "little angel" type of youngster, earning a reputation, along with two brothers, at rolling and smoking leaves. A skill that the rest of her family didn't learn of till many years later.

After completing her schooling in Vegreville, she attended Teachers Training

in Camrose and her first teaching position was in Calahoo, a small country school, with all the fringe benefits of the 'good old days.' Like walking two miles to school, rain or shine, and boarding with a family who raised chickens and kept the incubator in the living room. She later taught in Vegreville and St. Lina before coming to St. Albert in 1932.

Sadie taught in the old brick school here at a time when the teacher's salary was very dependent on the taxes being paid by local residents. At one point, following a visit home while her mother was ill, Sadie lost her boarding place, and took up accommodation in the hotel on the Bruin Inn site.

According to the account, it was Mrs. Ross senior who got the idea that little Miss Stanton would be a lovely girl for Nell to take out. At any rate the romance blossomed and the couple were married in Vegreville in 1937.

At the time their daughter Anne was born Mrs. Ross was president of the Diocesan Council of the CWL - the only member of the local council ever to reach that position. Her tenure as chief executive officer of the league was the more strenuous as rumblings of the Second World War were heard round the world.

Another daughter, Sheila, "a special daughter who achieved fantastic goals and deserved her very special mother," and four sons: Cameron, Douglas, Neil John and Michael were born in the years between 1940 and 48.

Through these years Sadie was always ready with help and sympathy to those in need, and the presence of our heavenly Father was always a part of her home said Mrs. O'Keil.

She served seven years as a trustee for school district #3. Apart from 40 years as a member of the CWL, Sadie belonged to the Margaret Duggan Institute, a CWL club for professional women. She is a charter member of the Womens Institute and of the Youville Auxiliary, and a member of the Lady Lions. And along with this record of community service Mrs. Ross

actively supported her husband in his interests. "What a woman."

These Sadie, are but a few of the highlights of your life, concluded Mrs. O'Keil. "The lives of the many people whose paths crossed yours, were richer because of it, and we hope we will all be here 10 years hence to celebrate your silver anniversary in the CWL."

"I didn't know I was such a nice girl," said Mrs. Ross. "Really I am deeply touched, and I thank you all very much. I only hope I can live up to all those pretty things you said," said Sadie, obviously moved.

Father Colin Levangie fastened the CWL Long Service pin below Mrs. Ross's corsage, after making the presentation at the special supper and meeting June 5, which honored Sadie for 40 years of work in the league.

Anne-Marie Venne, president of the CWL reads the inscription on a lovely framed scroll presented June 5 to Mrs. Neil Ross: "In recognition of many years of devoted service to Our Lady of Good Counsel, Sarah Ross is hereby granted the first Life Membership in St. Albert Council."

Arlene Borgstede, who has been elected to the CWL Arch Diocesan executive as membership and organization chairman, was presented with a bouquet of roses at the league's meeting June 5. "It is refreshing for the older members to find so many younger women putting forth so much in our parish," said Mrs. Ross in making the presentation.

452-1173

Instructor Wade Davis is shown here with two St. Albert air cadet students, LAC R. Gervais and ACI J. Morris as he demonstrates the aerodynamic capability of model aircraft.

Mr. Davis shows Cadets Gervais and Morris the drastic comparison between today's light aircraft and the old biplane that is now virtually relegated to the museums. Twelve cadets of St. Albert squadron are taking a course in model aircraft building from plans.

## Traffic accidents increase steadily

Alberta's traffic accident statistics have settled into a steady upward spiral since the beginning of 1972.

The total number of traffic accidents reported to the Alberta Safety Council in the first four months is up nearly 2,000 from the same period last year. Injuries total almost 400 more. And deaths number four more than last year.

To date this year, property damage has reached 10.5 million dollars, up almost 1.5 million from the same date last year.

Bicycles are a bigger factor in traffic this spring, at least in terms of statistics. Despite the growth in the number of injuries to cyclists reported however, this statistic remains small in relation to the overall traffic injury problem.

During April this year, 27 bicyclist injuries were reported in urban areas of this province. Only 10 were reported in April last year. For the first four months, there were 36 bicycle injuries, compared with 16 for the same period a year ago. The same number of deaths, two, were recorded both years.

No one knows how many bicycles are in use in Alberta. Last summer, one department store in Edmonton claimed to have sold between 800 and 900 bicycles. At any rate, the number of bikes being sold now likely outnumbers new car sales, and the total number of bicycles in use

## Who's afraid to fly?

Cadets normally aren't but right now they would hate to have to fly what they are building.

These are the feelings expressed by 533 St. Albert Air Cadets, who have now commenced classes in model aircraft building in the final semester of this training year. The Cadets are realizing the intricacies of building model airplanes direct from plans, rather than the easy modern way of snapping together plastic models.

"I sure would hate to fly a machine the way this is built," remarked one Cadet. However under the expert guidance of model aircraft and rocketry instructor Wade Davis assisted by senior Cadets Cpl. Brodgesell and Cpl. Gener-

oux, during the next few weeks they will rapidly learn that building to directions will create an effective flying model.

The class currently has a maximum course load of 12 students and will be opened to others in September.

## Crafts Show at 'Daze'

People of the area who do any form of arts and crafts' works are invited to enter their handwork in the Arts and Crafts Exhibition, a new feature of Frontier Daze in Morinville this year.

A great many people of all ages throughout the area are involved in scores of different arts and crafts, and if all were to enter some pieces in this two-day exhibition, the show could be tremendously interesting.

Weaving, pottery, macramé, needlework, basketry, metal sculpture, gem craft, drift wood, lapidary work - leathercraft, copper tooling - any kind of handicraft will be welcome. Everybody is interested in what his neighbors do in this field, and an enthusiastic entry will ensure an annual exhibition at the Daze.

Registration forms are available from Ron Lambert, Mrs. Arthur Stapleton, or Mrs. Florence McGinnies in Morinville.

## Living Beauty

WIDE SELECTION OF SHRUBS, TREES AND PLANTS

All our stock is specially potted and can be planted any time of the year. We have a large selection of evergreens and we help plan yard lay outs.

# Morinville all set for *Frontier Daze* whoop-up on Saturday and Sunday

Morinville is all prepared to welcome thousands of visitors for their annual Frontier Daze celebrations on Saturday and Sunday.

Action gets underway at 7 Saturday morning with a free street breakfast and from then till the closing fireworks Sunday evening there will be something doing every minute. Activities, shows, bingo and demonstrations. Demolition chuckwagon and chariot races, barbecue steaks and international foods. Horse shoes and baseball, bands and entertainers. Arts and crafts, ham radio and a

midway. Whatever's your bag, you can do your own thing at the Daze. And you could win a pony or a trip to Mexico! For your \$1 entrance fee to the grounds entitles you to see all the entertainment.

The Gold Rush Kickers will be hammering it up at Place Pigale - where Frontier Jane and her girls will be joined by the noted comedian Jerry Josie, with the Satellites, the Country Sound, Chalfoux orchestra, and Alvina Hunter. Place Pigale is at the Morinville Arena this year on Saturday, from noon until 7.

Sunday evening at the arena four groups of dancers will be on stage with dances from other countries: the famed Shunka dancers, Dutch dancers, Divine Irish dancers and Spanish dancers. Professional acrobats will also entertain. Closing the performance will be the prize presentations at 10 p.m. Draws for the pony and a trip to Mexico, prizes for parade winners, horseshoe

and baseball events and the Citizen of the Year Award will be made.

The "Sage" will be at the Rec Centre for the young crowd and the Satellites will be at the Cabaret in Morinville arena Saturday night - get into your dancing shoes and join the fun. A full program is advertised in this issue, and it looks like a "Really Big" Daze.

## Rural Recreation

By Carl Royan

I would like to welcome two new persons to the staff for summer employment. They are Mrs. Nancy Boorman, who will be conducting a survey of our park situation in Sturgeon, and Laurence Coulombe who will be working with Marjoline Chamberland to assist senior citizens with a recreation program.

Part of Nancy's plans are to speak to as many people within Sturgeon as possible about the park situation, especially those who live on acreages with park reserve. Please give her as much assistance as possible if she calls on you as your help is a necessity if she is going to have a comprehensive report.

There will also in the near future be an arts and crafts specialist hired who will be in charge of coordinating our summer program for youngsters. This person will be setting up a program that will travel throughout Sturgeon making regular stops in each area

where interest warrants. There will therefore soon be a survey made to find out where there is interest for this program so, we will be looking for your assistance again in this respect.

PLAYSCHOOL:

The playschool clinic previously planned for the end of June has been postponed for a short time as there has been some difficulty in finding instructors. The clinic will however be held in the near future. Details will in all probability be released next week.

Walking down the street with a friend one day, a professor passed a large fish store where a fine catch of codfish, with mouths wide open and eyes staring, were arranged in a row. The professor stopped, looked at them and clutching his friend by the arm exclaimed: "Heavens, that reminds me! I should be teaching a class!"

Canada agricultural scientists and technicians are carrying out some of the pioneer work in the use of remote sensing devices (aerial photography to thermal sensors and radar), particularly in connection with crop diseases and soil surveys.

One lamb's quarters plant if allowed to go to seed, will produce over 70,000 seeds or almost enough to produce two plants per square foot over an entire acre. One kochia plant can produce enough seed to infest an acre with three plants per square yard.

## Sightseer II.

The best body in town.

The outside of Sightseer II is tough. It boasts a fiberglass coat, steel roll bar and heavy-gauge zinc-treated steel impact panels and roof.

The fiberglass on front and back contains Vitro-Strand to give the surface a harder finish and help maintain even thickness over-all. And if damaged, this fiberglass will spring back to its original shape. So you can see, Sightseer II isn't just tough and dependable; it's virtually rust-free and maintenance-free.

It's also a lot more motor home for your money. It's wider than most others. And it's a full 23' or 25' long, depending on which model you choose.

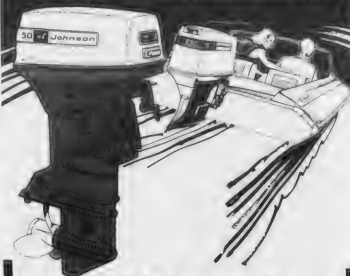

Power brakes and power steering makes a Sightseer II easy to drive. Extra width makes it stable on the open road. It handles easily, makes turns smoothly and has all the power where you need it, when you need it.

Now on display with 5 models to choose from at

## Increase reported in abortion rate

Therapeutic abortions performed in Canadian hospitals increased from 11,152 in 1970 to 30,949 in 1971, Statistics Canada reports. The rate of abortions per 100 live births increased to 8.3 in 1971 from 3.0 in 1970.

The Canadian rate compares with rates of 11 abortions per 100 live births in England and Wales (1970). Quebec and the Atlantic provinces had the lowest abortion rates, British Columbia the highest and the Prairie Provinces held the middle ground, according to

the tabulations.

In the midwest, Manitoba reported an abortion rate of 4.5, Saskatchewan 4.6 and Alberta 9.7. Average for the Prairie Provinces was 7.0. British Columbia, reporting 7,045 abortions and 31,967 live births, had the nation's highest rate at 19.1 and Ontario was second with a rate of 12.0, made up of 16,173 abortions and 134,724 live births.

Newfoundland had the lowest rate of any single province, reporting 0.6 abortions per hundred live births.

New Brunswick came next, with a rate of 1.3, Prince Edward Island and Quebec had identical rates of 2.0 and Nova Scotia 4.5. Rate for the Atlantic provinces as a whole was 2.25 per hundred live births.

Therapeutic abortion rates in the 10 provinces during 1971 were consistently lower than those in 16

states of the United States, as reported by the U.S. Department of Health, Education and Welfare for the first quarter of that year.

Although numbers of therapeutic abortions increased sharply in all provinces between 1970 and 1971, increases from one quarter to the next were substantially smaller in 1971 than in 1970.

Washington — Ahmed, a famous old bull elephant that roams in and about Marsabit National Reserve in northern Kenya, received presidential protection. He is so huge and distinctive that he cannot be mistaken, and President Jomo Kenyatta issued a decree that Ahmed "may under no circumstances be hunted or harassed by any person," National Geographic says.

## Summer Helpmates Set June 26 Deadline

Seven local young adults who call themselves Summer Helpmates wish to make it known to single parents of St. Albert and area that June 26 is the deadline date for the registration of your youngsters.

The Summer Helpmates are a recognized group of high school students who were awarded a federal government grant under the Opportunities For Youth Program, to assist local single parents during the summer months. The group received permission to use the Robert Rundle School gymnasium and art class in this project.

Single parents of children between the ages of two and nine years may use the entry form below:

PARENT'S NAME .....

ADDRESS .....

PHONE .....

NAME OF CHILDREN .....

AGE(S) ..... SEX .....

(single parent's signature)

MAIL ENTRY FORM TO: SHERRY MILLER, 43 Grandora Crescent, St. Albert.

Only single parents qualify for this service. A single parent is an unwed mother, divorced, separated or widowed person. Remember the deadline, Monday, June 26.

REASONABLE

In the warm days of June, a girl informed her sweetheart that she couldn't think of marrying him until he had saved a thousand dollars. However, with the arrival of winter and cold and lonely days ahead, she asked him how much he had saved.

"Oh, about \$35," he replied.

"Well," she said with a blush and a sigh, "I guess that's close enough."

#### THE MENTAL HEALTH ACT, 1972

This month I would like to take a look at Bill 83, the Mental Health Act, which has recently received first reading in the Alberta Legislature.

This 19 page act contains three main innovations in the care and treatment of persons:

- (a) suffering from a mental disorder, or
- (b) in a condition presenting a danger to himself or others.

The Act brings in regionalization of care, licensing of therapists other than psychiatrists, and spelling out the rights of patients.

The explanatory notes to the Act state, "The Mental Health Act, 1972 will provide enabling legislation to facilitate the development of mental health care services of comparable quality to be found in other areas of the health care field."

"It is intended to switch the principal locus of care from government operated, large centralized hospitals to board operated regional, general hospitals with services and facilities of different types being developed locally under the direction or on the advice of regional boards."

"To further facilitate these developments it is the intention of government to

set minimum standards of care and encourage the increased participation of additional trained personnel from other professions including social work psychology and nursing."

"It is the intention of government to safeguard the rights of the individual, society and those working in the field of mental health by providing legal checks and balances and the ready availability of appeal or review mechanisms. Compulsory treatment powers will be used only where it is clearly necessary to safeguard those concerned."

This Act is a milestone in mental health legislation in Alberta and makes Alberta one of the most progressive provinces in the field. I hope it is but the first of many necessary changes in health and social services delivery systems. With patients being cared for in general hospitals near their homes they will no longer be removed from the emotional support of their families and friends.

Much needed manpower will be available now that social workers, psychologists and nurses, after licensing, will be able to administer therapy. Lastly, patients will be able to appeal their confinement to a hospital through an appeals committee, and six month reviews must be

made on every patient so that no patient may be forgotten in a back ward.

#### ST. ALBERT

##### SUMMER WORKER

During the summer months we are fortunate to have a resource person, Mr. Mankesh Kurich, who is able to help young people get rolling on programs they want to engage in. They may be social, recreational, educational, employment, etc. They may involve five or 50 people and include any age group able to plan for themselves. Ideas are welcome and needed. What does the younger generation in St. Albert going to do this summer.

Our summer worker costs the town nothing as he is paid by the Department of Culture, Youth and Recreation out of Summer Temporary Employment funds made available by the Provinces. He was obtained for the town by the St. Albert Preventive Social Services program.

If you would like to promote communication between the generations, help set up or supervise playgrounds, start a summer employment service (or an all year part time one), etc., etc., call Mr. Kurich or Mona Ackar, Preventive Social Services Director at 599-0601.

##### LEADERSHIP TRAINING

Summer courses are available for high school students and adults through the Department of Culture, Youth and Recreation. Get a group and a place and they provide the resource people at no cost. Call me for further details. Have a good summer!

Have you heard about the fellow who put on a clean pair of socks every day and by the end of the week, he couldn't get his shoes on?

The girl married a rather tight-fisted young man but resolved to deal with her husband's stinginess with humor and grace. But her resolution was rudely shaken as she looked at her meager first month's allowance check.

"I'm going to have this photographed, dear," she tenderly said. "As a sort of memento of our marriage?" the groom inquired. "No, dear," the bride sweetly replied, "so I can have it enlarged before I cash it."

##### BIGWIG

The term "bigwig" is a throwback to the times when custom regulated the type of wig a man might wear. Only judges and the nobility were permitted the full length style. Ordinary persons wore little wigs. Hence, persons of high estate soon became known as "bigwigs."

## P.C. Pundits promise to sock it to Pillars

Visitors to Frontier Daze in Morinville will be able to see the "Softball Match of the Century" Saturday afternoon at 2 o'clock when the hard hitting Conservative team match their athletic prowess against the mighty Morinville Pillars. Rumour has it that the government members who have been sitting on their posteriors for 90 days in the legislature are out of shape, and should be sitting ducks for the Pillars.

Looking over the line-ups on both sides it looks like a spectators dream - with lots of opportunities to yell it up from the sidelines! What's missing in dazzling play may well be made up for in laughs. The P.C.s are hoping the Pillars don't have a uniform long enough for Father Primeau, in which case his robes should slow him down quite a bit. On the other hand - if the Conservatives can't find ball shoes, size 15, for Ernie Jamison, he might have to go in his bare feet. For what its worth here are the line-ups:

P.C. PUNDITS: Hon. Gordon Minely, provincial treasurer; Hon. George Topolinsky, minister without portfolio; Frank Appleby M.L.A. Athabasca; Rusty Zander, M.L.A. Drayton Valley; Tom Chambers, M.L.A. Edmonton-Calgary; Bill Diachuk, M.L.A. Edmonton-Beverly; Ernie Jamison, M.L.A. St. Albert; Bill Purdy, M.L.A. Stony Plain; Peter Trynchy, M.L.A. Mayerthorpe and Les Young, M.L.A. Jasper Place.

MORINVILLE PILLARS: Pete Gibeault, Guy St. Germain, Wilf Fitzpatrick,

The difference between a tax collector and a taxidermist is that the taxidermist at least leaves the hide.

GORDON MINELY

Hon. Gordon Minely, provincial treasurer, will be anchor man for the P.C. Pundits when they meet the Mighty Morinville Pillars on the softball field at Frontier Daze. Gordon is expected to give the Pillars' "Racing Romeo" Boissennault a run for his money.

Ralph Gaetz, Paul Riopel, Harry Atkinson, Len Gibeault, Tom Houle, Roger Blackburn, Romeo Boissennault and Father Primeau

## MORINVILLE MEMOS

By Rose Martel

The Golden Age Club members and other senior citizens visited the Alberta Museum and Archives building in Edmonton June 7. Travelling by chartered bus driven by Mr. Gerard Pelletier, the 28 senior citizens who responded to the invitation for a day's outing in Edmonton, all reported a very interesting day. Miss M. Chamberlain, from the MD recreation board, and STEP co-ordinator for the senior citizens summer activities, was the hostess for the day and accompanied the group along with Mr. R. Coulombe of Legal. One of the highlights of the trip was being held up by the highway traffic board, at the lights on St. Albert Trail and 137 Avenue. With his usual humor, Rom Detennacour wanted to know if the group were going to lunch at the museum, as planned, or at Fort Saskatchewan as guests of the government.

Miss Janice Pelletier, a guide at the museum, welcomed the group, mingled with the folks at lunch time and was a gracious informant on many points of interest, while the tour was going on. The next trip is scheduled for July 5, and an interesting time will be provided for all comers, 60 years and over who wish to join the group. There is accommodation for some 30 passengers, and the trip is free, thanks to the donations received by local organizations. Register with Mrs. Rom Detennacour or Mrs. Jeanne Houle, and enquire on details.

Mr. and Mrs. Robert Tellier returned recently from a month's flying trip to Europe.

Mr. and Mrs. Alphonse Trotter, left June 8 for a two week holiday to the west coast by plane.

On Monday the members of the Morinville school board, along with members from the Sturgeon Board, began a three day workshop meeting on "Critical Questions about School Problems in Alberta." Those attending for Thibault are: Chairman, Matt Tellier; Ann Kryskow, Alice Woytkiw, Yvonne Leduc. Last week a meeting was called by the Georges P. Vanier school administration, for all the parents of the students who are going to Louisville, P.Q., on July 14, on a student's exchange program. Mr. Marcel Shayes, explained the purpose of the tour, and wanted the parent's opinion and help on certain matters. Mr. Gerard Lavigne, who has been the co-ordinator of the tour addressed the group and gave some facts and figures as to cost etc., as well as the detailed program of the 22 day tour. Mr. Gerard Houle, who has volunteered with Mrs. Houle, to chaperone the tour also discussed pertinent details. Student representatives were on hand to take part in the discussions. Carol Woytkiw is the co-ordinator of the student group, with Sherry Kryskow and Laurier Nobert.

It was decided to form an executive group to co-ordinate the program, provide transportation and also act as hosts while the eastern students visit with local

families in Morinville, from July 27 to August 7. Those who volunteered to serve as chairman, Ann Kryskow Alphonse Nobert, Rochelle Boissonnault, Lorraine St. Laurent, and Rose Martel, in charge of publicity. Carol Woytkiw, Sherry Kryskow and Laurier Nobert will also be part of the group, representing the 14 girls and six boys taking part. Students will go east by air and return with their guests via CNR, arriving July 27.

Among those reported in hospital this past week are Katie Lemas, Arthur LaLonde, Alice McDonald and Donna Maria Dupuis.

Last week the Morinville Mother's Local held their annual mothers and daughters banquet, with over 100 present. In the Morinville Legion Hall, Guide Commissioner Lina Keith was chairman of the head table, where members of the executive and guilders were guests. Hostesses for the evening were president, Mrs. Jo Anderson and Mrs. Rita Sale. During the evening an appreciation gift was presented to charter president, and loyal supporter of the brownie and guide work in the community, Mrs. Rose Martel.

Among the guide and brownie awards presented were Girl Guide Dress Award to Kim Grover and Guide of the Year to Sherry Mason. Connie Grover presented with The World Pin. Mrs. Barbara Tailleux was made a full fledge Tawnee Owl Gilder and many others were presented with deserving pins and awards.

Later in the evening 22 mothers attended the annual meeting and election of officers for the next term. Elected as president were Mrs. Mary Flanagan; Mrs. Lorraine St. Laurent as vice-president; secretary, Mrs. Gloria Ellis; treasurer, Mrs. Irma Bulger; badge secretary, Mrs. Shirley Lungert; rummage sale convener Mrs. Gwen Knoll; phoning committee, Mrs. Lucienne Carignan and Mrs. Ellen Volmer. Mrs. Peggy Butt volunteered as guide helper for Blue Gilder Del Curtis. Last weekend some 20 brownies and guilders held a camp-out at Sandy Lake Volunteers who helped

## NAMAO NEWS

By Norma Crozier

A large crowd of ladies and girls attended a shower for Margaret Zima in Namao Hall on Wednesday evening. Mrs. Babe Davis presented the gifts to Margaret on behalf of everyone present.

Namoo UCV will sponsor a shower for Diane Halles, bride-elect of Douglas Porter on June 21 in Namao Hall at 8 p.m. Diane and Douglas will be married on July 29.

Bill Miller, a nephew of Mrs. Alan Carson of Namao was drafted by Detroit Red Wings of the NHL. Bill played last year for the Medicine Hat Tigers.

## LEGAL

By Lucienne Montpelt

Alphonse Bourgeois a former Legal resident passed away at the University Hospital on June 2 at the age of 52 years. Prayers and the funeral were held in St. Emile's Church, Legal last week.

Mr. and Mrs. Louis Rheume from Quebec were weekend visitors at the homes of Mr. and Mrs. Lucien Montpelt and Mr. and Mrs. Leon Prefontaine.

Fete au Village meeting on June 19 at 8 p.m. Remember our celebration is just around the corner so make it your business to attend this meeting and display your community spirit as in the past.

The guilders were Mrs. L. St. Laurent, Mrs. F. Volmer, Mr. Leonard Keith, Mrs. E. Larson, and Mr. Terrance Curtis.

The Morinville Board of Trade held the last meeting before September on June 5 with a good attendance. A \$100 donation was given for the summer activities of the Golden Age senior citizen group. The executive are to review the Constitution written in 1946 and bring it up to date. Mrs. Rose Martel volunteered to submit local names to the editor of Alberta Heritage section of Calgary Power's booklet.

## Trip to Spain

By Lucienne Montpelt

The Legal Recreation Board is sponsoring a Trip for Two to Spain, air fare plus two weeks hotel accommodations or cash equivalent.

The draw will be made July 30, 1972 at the annual Fete au Village celebration. The total value of the trip

is not to exceed \$1,000.00. Tickets can be obtained from any member of the recreation board.

STURGEON GENERAL PLAN ADOPTING  
BYLAW #160-72

A general plan has been prepared for the M.D. of Sturgeon #90 by Makale & Associates, based on surveys and studies of land use, population growth, the economic base of the Municipality, its needs for roads, public services and other relevant data.

The Council of the Municipal District of Sturgeon #90 proposed to pass the General Plan Adopting bylaw #160-72. Prior to giving the proposed bylaw first reading, the council will hold a public hearing on Monday, June 26, 1972 at 8 p.m. in the Namao School at Namao, Alberta. Written or oral submissions will be accepted at the said hearing.

Copy of the proposed bylaw may be inspected by the public in the Municipal Office at Morinville, Alberta during the office hours, 8:30 a.m. to 4:30 p.m., Monday through Friday.

Alphonse Nobert,  
Secretary-Treasurer.

Redemption may be effected by payment of all arrears of taxes and costs at any time prior to the sale. Dated at the Village of Legal, in the Province of Alberta, this 7th day of June 1972.

Agnes Montpelt,  
Secretary-Treasurer.

# Namao girl returns from European tour

By Norma Crozier

Carol Crozier of Namao and Pat Brockhoff of Edberg returned home May 28 from a six month tour of Europe and Africa. They toured England, Scotland, the Netherlands, Germany, Switzerland, Austria, Hungary, Yugoslavia, Bulgaria, Turkey, Greece, Italy, France, Monaco, Andorra, Spain and Morocco.

They flew to London where they visited a few days and then went to Amsterdam where they purchased a car. All over Europe price of gasoline was about one dollar per gallon and in Italy the price was higher. By using coupons in Italy they could buy gas at 70 cents per gallon. In Italy, France, Greece and Spain they had to pay tolls to travel on the highways.

They drove to Germany where they spent Christmas with relatives, while in Germany they did a lot of sight-

seeing and one of the highlights was in Berchtesgaden where they climbed the mountain to Eagle's Nest, this is where Hitler had his private home and where his plans were made.

The buildings had been demolished. They visited an historical village in northern Germany with buildings dating back to 1100 A.D. Also, they visited the Sage War Cemetery where Canadian soldiers were buried. In all their European tour there was no snow except in the mountain passes. They found it very cold in January in Austria despite the lack of snow. In Vienna they saw the Spanish riding school which was one of Walt Disney's specialties on T.V. They also attended a symphony and opera there and visited museums.

Travelling through Hungary, Bulgaria and Yugoslavia they reached Istanbul on the Bosphorus. There

they saw the Blue Mosque, one of the seven wonders of the world. They saw the castle of Topkap, which was begun in the fourth century B.C. They also visited the covered bazaar.

In Greece at the Acropolis they saw the hill where Paul preached and the Parthenon. The girls found Athens so interesting they spent two weeks there.

They spent more than a week on the island of Crete where they did some sunbathing in the month of February on the Mediterranean Sea. They also enjoyed picking fresh oranges from the trees.

They crossed from Greece to Italy and did not north visited Rome where they met Carol's younger brother Ken. The three of them toured the Vatican and saw many of Michaelangelo's sculptures in Rome and Florence.

In Spain they stayed in Torremolinos and then crossed over to Morocco which they toured for three weeks camping in Marakech and Agadic. At Agadic, they saw where a city had been

completely swallowed up by an earthquake. The culture of Morocco is greatly different from other parts of Europe. The women wear long robes and veils and the people travel mainly by donkeys and bicycles.

On their way north again the three travellers spent some time in Madrid and Paris. In Paris they saw the Eiffel Tower and the Louvre which houses the famous Mona Lisa.

Travelling through Belgium they visited Flanders Field and found it very beautifully cared for.

In Amsterdam the girls sold their car which they had fondly named "Skunk" because of its peculiar paint job. They also said farewell to Ken who is presently travelling in Germany. Back in England, Pat and Carol spent two weeks hitch-hiking. They found the English people very friendly and it was very easy to get rides. They stayed in the Lake district on a dairy farm. The house was built in 1612 and the walls were stone, two feet thick. They also visited a fortified castle which had been built in 1340. They travelled as far north as Edinburgh, Scotland before returning to London by way of Stratford-on-Avon and Oxford. In London they boarded the plane for home.

The girls say that many hitch-hikers are beginning to arrive in Europe now as compared to the winter months. The young people stay in International Youth Hostels which provide them with good facilities at minimum prices. Here it is very easy to meet other travellers.

ers, and often you meet acquaintances from home. The number of Canadians travelling in Europe has greatly increased in the past year and everywhere you go you see the red and white Canadian flag.

## Mearns woman dies at 47

By Rose Martel

The community of St. Charles parish in the Mearns district was saddened May 18 to learn of the death of Mrs. Lawrence Brennels, who died suddenly, the victim of a heart attack at the age of 47 in her farm home.

Born Theresa Mary Byers she was the daughter of the late Mr. and Mrs. Nick Byers of St. Charles, a pioneer family of the district. The eighth child of a family of 10 children. There are eight surviving brothers and sisters in the district.

As a girl, she attended Tellier School and later finished her education at Westlock and Morinville High schools. In 1948 she married Mr. Lawrence Brennels of Morinville, son of Mr. and Mrs. Otto Brennels. The couple settled on a farm in the Mearns district, where their five children were born and raised.

She is survived by her husband, Lawrence, two

sons, David, Edmonstone and Gregory at home; daughters Carol Vandersteen, Edmonstone; Gloria and Dianne, both at home. Three sisters: Mrs. Mary Stinton of Busby; Mrs. Helen Caron, Edmonstone and Mrs. Rose Brennels, Busby. Five brothers: Charles, Parryvale, Alberta; Lawrence and John, Busby; Joe and Tony, both of Mearns. Funeral services were held in St. Charles RC Church in Mearns, Rev. Father J. E. McGreene officiated at prayers last Sunday evening and at requiem mass on Monday morning, May 22, when a very large number of the congregation, relatives, and friends attended. Interment was in the church cemetery.

Mrs. Brennels was an active member of community and church groups. She will be sadly missed by friends and neighbors. An expression of sincere sympathy is extended to the bereaved family, on behalf of the entire community.

A new publication "Irish and Daylilies" describes planting and propagating irises and daylilies that can be grown in Alberta. It is available from district agriculturalists and the publications office of the Alberta department of agriculture, Edmonton.

M. D. of Sturgeon  
No. 90  
NOTICE OF LAND EXPROPRIATION FOR ROAD PURPOSES

Pursuant to Expropriation procedures Act, Part 11 Sections 22 to 30, Chapter 130 R.S.A. 1970, the Council of the Municipal District of Sturgeon #90 proposes to expropriate 1.27 acres from the N.W. 17-54-26-4 for the purpose of road construction and is prepared to pay compensation in the amount of (\$300.00) Three Hundred Dollars per acre for the land to be expropriated.

On June 29, 1972 at 2 p.m. in the Council Chambers of the Municipal Office at Morinville, Alberta, a bylaw will first be presented to the council to authorize the expropriation of the aforementioned land.

A plan of survey of the land to be expropriated is on file in the office of the Secretary Treasurer at Morinville, Alberta and the plan is available for inspection between the hours of 8:30 a.m. to 4:30 p.m. Monday through Friday.

Before enactment of the bylaw, the owner of the land to be expropriated is entitled to make representations to the Municipality and set forth his reasons why the land should not be expropriated.

If compensation cannot be mutually agreed upon for the land to be expropriated, then the amount of compensation will be ascertained by the Public Utilities Board at a future date.

Alphonse Nobert,  
Secretary-Treasurer.

# Legion convention sets course

In the week May 23 - 27 the winds of change stirred the Royal Canadian Legion's biggest convention ever held at Regina, Saskatchewan. When they had calmed down, the 308,000-member organization was pointed on a course for the future.

Dramatic changes now give the Legion a potential membership of well over a million, and age groupings have been considerably broadened. About 2,500 delegates attending the five day general sessions of the 24th national convention voted overwhelmingly in favor of bringing younger people into the veterans' organization, mainly sons and daughters of veterans. Wally Swenarchuk represented St. Albert Legion.

In a hard-hitting speech

to the national convention of the Royal Canadian Legion Sunday night, Lt.-Gov. Stephen Worobetz of Saskatchewan defended the armed forces against their critics, attacked Canada's treatment of her native people and criticized revolutionary groups.

"In the kind of world we are living in today, our armed forces are barely large enough for national security, for a peace-keeping force and for coping with a natural disaster," said Dr. Worobetz. "I think it is grossly unfair to the members of the armed forces to be downgraded, accused and sometimes singled out by some for somehow encouraging and promoting war," he said.

Rather than using the armed forces as the scapegoat

in assessing blame for war, Dr. Worobetz, himself a war veteran and holder of the Military Cross for outstanding bravery, attributed the blame to the "fighting, aggressive, instinct of the savage" which he said is in all of us to some degree.

"War is a magnification of the war of human instincts which are out of control... a reflection of the multiple miniature wars in the hearts of individuals," he said.

While the Legion favors

## Albert Trottier dies at 81

On May 24 the death of a former long time resident of Morinville, Mr. Albert Trottier was announced. Funeral services were held on Saturday in Morinville with Rev. Father G. H. Primeau officiating. Interment followed in the family plot in the church cemetery. He is survived by one son, Paul of Eugene, Oregon, U.S.A., five daughters, Sister Alice Trottier of Edmonton; Mrs. Claire Lefebvre of St. Albert; Mrs. Madeleine Henning of Eugene, Oregon; Mrs. Mariette Easterby of Edmonton; Mrs. Francine Brown of Toronto. He was predeceased by his wife, Irene in 1947 and a daughter Lucille, years ago.

He is also survived by 20 grandchildren, six great grandchildren and one brother, Mr. Alphonse Trottier of Morinville.

Born in Three Rivers 81 years ago, the son of the late John and Marie Trottier, he was educated in Montreal. He came west as a young man with his family in 1905, and established in Calgary. They arrived in Morinville in 1920, and op-

erated a store. In 1921 the late Mr. Trottier married the former Irene Rempel of Morinville, and this union was blessed with seven children. For years Mr. Trottier was a tinsmith and made the coffins for the district requirements. He later became the first undertaker in Morinville. Failing health forced him to retire in the Chateau Surgeon in Legal some eight years ago, where he remained as resident until three days before his death, when he was taken to hospital in Edmonton where he passed away last week.

Another, about 200 resolutions were dealt with, some quickly and easily, and others with some rocky moments and not a few emotional reactions.

"Come With the Family and Worship With Us"

Camelot on the Mall in Grandin Shoppers Park is indeed a popular place. Above we see at left Delores Moiler, 35 Spruce Crescent, and Willy Grueber, 3 Gainsborough Avenue, both students at Paul Kane High, ready to tackle a rich, creamy sundae. Owner of Camelot (far right) is Fred Szott.

## Dawn Kambouroff Shower

Mrs. Helen Kivell, assisted by her daughter Leanne, hosted a miscellaneous bridal shower for Dawn Kambouroff recently at her home on Gordon Crescent. About 20 neighbors and friends of the bride-to-be attended.

Special guests were Dawn's mother, Mrs. Delores Kambouroff and her sisters Kathy and Susan, and Mrs. Arcand and her daughter Lorette, mother and sister of Maurice Arcand, groom.

Dawn received many attractive and useful gifts, presented in a gaily decorated basket. Kathy planned the ribbons and bows on a straw hat, creating a very attractive hat, and Lorette assisted Dawn with opening the gifts. Dawn expressed her thanks to all present and a dainty lunch concluded the evening.

The wedding will take place on June 17 at St. Albert Roman Catholic Church.

Springtime is wonderful--in spite of the many poems that are annually inspired by it.

## WEBER BROS. REALTY LTD. APPOINTMENT

Gordon McIndoe, manager of Weber Bros. Realty St. Albert Branch, takes pleasure in announcing the appointment of George Wilkie to their sales staff. George is well known in St. Albert and is an active member of the St. Albert Kinsmen Club.

## Minister Unveils School Plan

A recent survey by the department of education indicates there are presently 800 vacant classrooms in Alberta. This does not include portable units not receiving full use, of which there are approximately 600 scattered throughout the province.

Education Minister, the Honourable Lou Hyndman, announces that as a result of the survey all new school building requests in Alberta will be placed into a "holding pattern."

The number of students entering grade one in September, 1969, was 39,567, in September, 1970, the figure dropped to 39,128, and in September, 1971, the figure dropped still further to 35,173.

The minister said that only critical requests for new buildings will be entertained until such time as there is a better indica-

tion of some sort of stabilization in birth rate and number of pupils entering school for the first time. Also, the department of education wants more assurance that present facilities are being used to capacity. For the present, all new school projects being considered, on which contracts

have not yet been let, will be reviewed. Some recognitions of need will be confirmed, others scaled down and some will be rescinded or refused.

Our present conditions afford considerable food for thought--if hash can be called food.

and GREAT PRIZES EVERYDAY...**

**HOW TO GET THERE**

Lou Lazaruk, co-owner of Red Onion Pizza serves 21 different pizzas plus several different submarine sandwiches, sure to please anyone. Lou is shown above next to his giant oven set into a brightly decorated kiosk.

Evelyn Lazaruk, co-owner of Red Onion Pizza assists her brother Lou in their new business. Where she especially excelled herself was in designing and decorating the Red Onion because that's her profession. When you walk into this bright new pizza outlet you'll see it was done up professionally.

## Red Onion Features Alpine-Type Cafe

The corner location on vacated by AVCO Financial the north leg of Grandin Services who are now across Shopper's Park, recently the parking area in the

covered mall, is now occupied by Red Onion Pizza, another beautiful addition to the shopping complex.

Red Onion Pizza is a cozy Alpine Chalet-type of shop covering an area of about 1,000 square feet. Its decor is particularly attractive because of the matching table cloths and curtains, along with a chalet-type pizza kitchen complete with Alpine window and window box.

St. Albert's new pizza outlet seats 40 people very comfortably and as the owners said, "we should have several tables and chairs set out on the front along the walk before Grand Opening Day." This, the brother sister partnership believes will add just a little bit of color and a novelty aspect which will complete Red Onion's Alpine atmosphere.

Evelyn and Lou Lazaruk (brother and sister) along with Lou's pretty wife Lorraine, offer quite an extensive menu which includes 21 different types of pizzas plus super submarine sandwiches and corned beef submarines. Drinks include good coffee and a full range of carbonated soft drinks.

On their first day in business Thursday the Lazaruk family was all but sold out by three in the afternoon. "We're out of coffee and corned beef," said co-owner Lou Lazaruk, "and we're now waiting for a special order of groceries from the warehouse because we're running low in every-

thing else," he said.

This is, without a doubt, going to be very popular place for young and not-so-young of St. Albert and area. There's even a Wurlitzer with all the latest hits plus two coin-operated games of chance.

## Birth rate reduced

The Dominion Bureau of Statistics indicates that in Canada the birth rate in 1971 was 17.0 per 1000 population, down two per cent from 17.4 in 1970. Also, the general fertility rate (number of births per thousand women 15-49 years old) decreased three per cent to 68.8 from 70.9 in 1970. This also means that the average number of children per woman dropped by over four per cent to 2.21 in 1971

from 2.31 in 1970.

The number of births in Alberta in 1971 was 32,043 as compared to 31,544 in 1970, or an increase of only .3 per cent. The average change rate in Alberta for 1966-70 has been an increase of 3.0 per cent. That is, the number of births is still increasing but the rate of increase has dropped from 3.0 per cent in 1968-70 to .3 per cent in 1971.

WEDNESDAY, JUNE 14, 1972, ST. ALBERT & STURGEON GAZETTE - 3

Mrs. Audrey Penny, owner and operator of Grandin Flowers Ltd. is seen putting the finishing touches on a flower arrangement. In terms of Grandin Shoppers Park, Mrs. Penny is an 'old-timer' because she first opened her shop in February 1968.

## Fighting hunger is a 2-fold task

Dr. Norman E. Borlaug of the International Maize and Wheat Improvement Centre was awarded the Nobel Peace Prize in 1970 for his role in achieving remarkable improvements in wheat, thereby playing a major part in launching "the Green Revolution" - dramatic increases in

cereal crop yields through applications of agricultural sciences.

In his acceptance speech Dr. Borlaug said in part:

It is true that the tide of the battle against hunger has changed for the better during the past three years. But tides have a way of flowing and then ebbing again. We may be at high tide now,

Pat's Slim Wrap Figure Contouring Salon brings a new slimming plan to St. Albert when it opens June 21st at 12 Perron Street.

Slim Wrap, written up recently by Nancy Clegg in the Journal, claims to trim away inches, without pills, diet or exercise. Technicians wrap the entire body, except bust or specified problem areas, with terry cloth wrap which has been soaked in a warm, non-allergic mineral oil solution. The client then reclines on a lounge chair for 90 minutes to read, chat, doze or watch TV. After the wrap is removed she is measured, and the result should be a minimum of two inches, but most people lose a great deal more, according to Pat Christensen who is the owner-proprietor of the new shop. Continuous treatments cost \$121, and the salon also offers single visit treatments at \$15. Partial

Ten Slim Wrap treatments cost \$121, and the salon also offers single visit treatments at \$15. Partial

but ebb tide could soon set in if we become complacent and relax our efforts. For we are dealing with two opposing forces, the scientific power of food production and the biologic power of human reproduction. Science, invention, and technology have given man materials and methods for increasing his food supplies substantially and sometimes spectacularly. Man also has acquired the means to reduce the rate of human reproduction effectively and humanely. He is using his powers in increasing the rate and amount of food production. But he is not yet using adequately his potential for decreasing the rate of human reproduction. The result is that the rate of population increase exceeds the rate of increase in food production in some areas.

There can be no permanent progress in the battle against hunger until the agencies that fight for increased food production and those that fight for population control unite in a common effort. Fighting alone, they may win temporary skirmishes, but united they can win a decisive and lasting victory to provide food and other amenities of a progressive civilization for the benefit of all mankind.

## New Slim Wrap comes to Town

wraps for spot reducing come at \$10 and \$8. The plan involves no contracts or memberships and Char-

ges is accepted. Interesting and beneficial health foods will also be on hand in the new salon.

Mrs. Christensen is taking appointments now prior to the opening Monday, June 19 at 599-6462 or 599-5096.

Above can be seen members of the Breakfast Lion's Band, under the baton of Robert Heuermann, band master, who escaped the rain storm last Thursday when the new Lion's handshell was scheduled to be officially opened by Deputy-Mayor Rene Kambourof. Understated, the band escaped to Grandin Shoppers Park mall and gave a concert to everyone's pleasure. Now the Lion's handshell will be officially opened Saturday morning June 17 at 8 a.m. followed by a concert while the Rodeo Breakfast is being served.

## Tamblyn Drug Tripples Space

The move to new premises in Grandin Shoppers Mall climaxes 10 years of growth with St. Albert for Tamblyn Drugs, who opened the store here on March 27, 1962, under the management of Ed Dunk.

It now handles the second largest volume among the 12 stores in Tamblyn's Edmonton division.

Mr. Dunk ran the store for six years, and then took over as a supervisor for Tamblyn's in Edmonton, a position which kept him travelling a good deal. He returned to the St. Albert store a year and one half ago.

A new merchandising concept is being introduced in conjunction with the move to a new location, and the store will become a Super-City Drug Mart. Emphasis is on volume sales at discount prices, and customers will

find some departures from the traditional drug store format.

The latest ideas in design have been used and fixtures also reflect the most modern techniques for convenient and attractive display of products. Bright colors have been used with imagination to create a cheerful setting, while contributing to the overall plan for best functional approach from the shoppers' point of view.

The Tamblyn Drug chain of 175 stores across Canada is totally Canadian owned, with head offices in Toronto.

With this move the store has almost tripled its previous space from 2,400 to 6,000 square feet, and will be increasing its staff. At present the manager has an assistant manager, Tom Woodward, four full time

women, Dorothy Barton, Linda Jeffrey, Joan Wilson, Pat Lyndon and several part time employees.

Ed Dunk, the store manager, has made his home on Grandin Road in St. Albert for 10 years. He and his wife Shirley have a son Brian, 13, and a daughter Karen, age 12. Ed has been active in the community, working with the Scouts, Chamber of Commerce, Lions Club and United Church. He is a fisherman from away back, and right now "sharpening up my hooks" for a new season. He estimates that he knows between 60 and 70 per cent of the people of St. Albert.

### VIEWPOINT

Remember to think only of the best, to work only for the best, and to expect only the best.

## Jack's Delicatessen Brings A Bit Of Europe To The Mall

As a person walks into Jack's Delicatessen on The Mall at Grandin Shoppers Park, you immediately get the impression you've stepped into a part of western Europe. Jack Freeman's "dell" could be located in a suburb of London, a village in Switzerland or even along Rue St. Honore in Paris.

Jack Freeman, owner and operator of Scona Meats in Edmonton brings his delicatessen to The Mall as a first step in his expansion program. Mr. Freeman bought out Scona Meats, an old and respected establishment on Whyte Avenue in Edmonton two years ago. Since then, he has been looking for a likely area in which to expand and St. Albert was it.

Occupying about 800 square feet of Mall space, Jack's Delicatessen specializes strictly in domestic and imported foods with a special accent on gourmet items sure to please the connoisseur. For the tired and hungry shopper, Jack's also offers a wide selection of sandwiches, along with hot coffee to take out.

Another feature, sure to please the younger generation is the carbonated drink

dispenser from which they can obtain their favorite "pop", while Mom may select a barbecued chicken for supper, for a midnight snack to please the family or for the Sunday picnic basket.

"I'll be here for about a week," Mr. Freeman said, "after then, my staff will manage things while I'm taking care of my Edmonton store." He explained that he was fortunate in hiring an experienced staff of local women and that this new outlet will require very little of his time once everything is established.

Besides a wide array of smoked meats and sausage, Jack's Delicatessen stocks a bit of everything to please local gourmets. On his shelves or on display in his cooler, a shopper can select Esrom, Elbo or Danbo cheeses from Denmark, pastries from Austria, pumpernickel from the Ruhr or asparagus spears from Formosa. If you like to mix your own cool summer drinks, there's a wide selection of bottled fruit nectar to choose from.

In the more "angry" side of the stock shelves, Jack's Deli has a wide display of pickled corn-on-the-cob,

cucumbers, spices for every dish, sauces, mustards, relish and so on. Youngsters haven't been omitted at Jack's, as he carries famous brand chocolates such as Stollwerck, Sprengel, Tobler as well as hard candies and mints. Coffee-lovers will be pleased to browse through the display of Jacobs Kaffee, Mellina, Mocca, Calma, Caro, Fefner in filter, instant or regular grind.

For his official opening, Jack was concerned about getting his walk-in display freezer functioning. However, he was assured by the local electrician that everything would be hooked up and ready to go in plenty of time for the opening. Jack explained that he desperately needs his coolers hooked up because that's where he stocks his meats, milk, cream and cheeses.

The lady, recognized as a hypochondriac, called her doctor one night and exclaimed: "I know what's wrong with me. I've got a bad case of hyperinsulinism."

"I know all about it, so don't worry," replied the Doctor, "I just watched the same television program."

## Klondike

Edmonton's Klondike Days parade this year will pay tribute to the most notable gold rush in recorded history.

Edmonton Exhibition Association director Mickey Auld, parade committee chairman, has announced the theme of the July 20 parade will be a Salute to the Klondike gold rush. It was 75 years ago that the first wave of treasure seekers swept into the Klondike country, where that river joins the Yukon and where historic Dawson City stands today.

Klondike gold actually was discovered on August 17, 1896, by George W. Carmack and two Indian companions. It wasn't until '97 that word of the strike brought in the vanguard of the thousands of prospectors who swarmed into the remote Canadian Northwest from all over the world. So great was the momentum of the Klondike Rush that it didn't peak until 1898 -- and to this day, the incredible route they took is called The Trail of '98. By that time the scattering of prospectors' shacks at Dawson in 1896 had ballooned to a city of 30,000.

# Szott Family Brings Camelot To Grandin Shoppers' Mall

A newcomer to St. Albert but certainly not a newcomer to the business world is Camelot . . . a name that has become synonymous with red, green, black or any colored ice cream. In fact customers have the choice of 24 hard ice cream flavors to choose from plus 67 different shakes and floats.

Yes, the world of Camelot is going to be located at the far western end of the covered mall in Grandin Shoppers' Park. The franchise has been purchased by Fred Szott, formerly of the Daysland area and now of St. Albert and he plans to operate the Camelot outlet here with a staff of about six including his two children Terry and Brian. Mrs. Szott is an electrolysis technician employed by the Institute in Edmonton. She too will be recruited to help on a part

time basis. Besides the four members of the Szott family, employees at Camelot are Mrs. Lea Pendleton and Dale Brewster, both residents of St. Albert. Another local resident Mrs. Judy Wideman will take up a part time shift and she too lives in town. Camelot's newest franchise, Fred Szott rents 500 square feet of open floor space in the western portion of the Shoppers' Mall. It's an ideal location for a Camelot outlet since it lends itself ideally to that spot at the western entrance to the covered mall. Besides featuring all the various hard ice creams, vanilla soft ice cream plus the extensive menu of special ice cream dishes, Camelot here will also serve popcorn, an assortment of soft drinks and introducing the "waffle dog". The Waffle Dog is a specialty with the newer Came-

lot franchises. Its a weiner, dipped in a special batter and baked in a specially designed waffle plate. They're delicious, greaseless and served on a stick. "We feel sure they're going to be a popular item for light afternoon snacks," Mr. Szott said. For the time being, Camelot will be open on week days from 10 a.m. until 9 p.m. while on Saturdays, the ice cream hours will be 10 to 6. Another specialty of Camelot here in St. Albert will be an extensive stock of bulk chocolate candies. These chocolates are of home-made quality and the type that cannot be obtained elsewhere than at Camelot outlets. "Another special feature we have here in St. Albert," said Mr. Szott is the two types of cone dips, fudge and chocolate." He explained that all these added 'goodies' are being provided in anticipation of a very successful business venture here. Mr. Szott said that for the time being he plans on setting up only three tables which will accommodate 12 persons but has not discounted the possibilities for expansion. One proposal that's being negotiated at the moment is Sunday opening for the Camelot outlet here. Mr. Szott pointed out that all the other Camelot franchises in the province are very popular Sunday spots and he wishes to extend the same service to his St. Albert customers.

The trouble with good advice is that it usually interferes with our plans. The small but polite youngster stopped a policeman on the street corner. "Sir," he asked, "have you seen a lady without a boy that looks like me?" Husband: "In our six years of marriage we haven't been able to agree on anything." Wife: "It's been seven years, dear."

# Orange Julius Is Still 'Devilishly Good Drink'

Way back in 1927, the originator of Orange Julius advertised it as "a devilishly good drink" . . . and even today, we can't really improve on that description. Owner and operator of Orange Julius Refreshment Centre, Mrs. Muriel Benko of 139 Ridgewood Terrace says the orange drink served from her new premises at the eastern end of the Grandin Shoppers Park Mall is indeed made of fresh oranges. "We cut and squeeze fresh oranges right on the spot," said Mrs. Benko, "and serve this refreshing drink flavored to the customer's taste." Orange Julius, located across the Mall from the Toronto-Dominion Bank, occupies 500 square feet of

floor space, accommodating counters, fixtures and storage space. With headquarters in Vancouver, the franchise was sold to Mrs.

Benko who is operating the only outlet of its kind in St. Albert and is one of four in Northern Alberta. Besides dispensing this rather exclusive drink, Muriel Benko and staff also prepares a variety of special snacks such as mongrel dogs and chilly dogs served in paper boats.

WEDNESDAY, JUNE 14, 1972, ST. ALBERT & STURGEON GAZETTE - 13

Owners of Sweetheart Jewellery and Gift Shop located in Grandin Shoppers Park, Mr. and Mrs. Hauptman purchased this business from Mr. Lefebvre two years ago when the founder of the business decided to retire. Today Adam and 'Joe' Hauptman employ Mr. Lefebvre for watch repairs on a part time basis while they operate a fully-fledged jewellery shop.

## W.I. members work on Rodeo

The WI held their May meeting at the home of Mrs. Agnes Richardson, 96 Mission on May 30. Despite a very hot evening, 17 mem-

bers were still in attendance.

The roll call was Pennies for Friendship. During the evening the ladies were busy making flowers for the float for the rodeo parade. Ideas the plans were discussed for the float. Plans were also made to plant flowers at the Community Hall grounds in the near future.

The speakers for the evening were Mona Acker and Barbara Munroe from the Preventive Social Services. Two groups were formed and different social problems were discussed.

The June meeting to be held on June 13, at Marg Dalman's, 18 Sturgeon Rd., will close for the summer with a barbecue. All members and visitors are encouraged to come.

## Bunky Boger Brings Comedy For Everyone

One of the country's most versatile, and popular Rodeo Clowns, Bunky Boger, who hails from Hindsville, Arkansas, has been featured both in the United States and Canada.

Boger presents a variety of acts and funny skits; featuring "Kolger" a striking highly colored Appaloosa gelding that performs an amazing comedy routine. Included too is a canine act featuring a highly trained dog simply called "Collie."

Boger also brings a brand new feature, the original "White Spot Taxi." This hilarious comedy automobile of his own design, has been inspired by hill country conveyances from his native territory, and is sure to bring fun and laughs to children of all ages at the rodeo performances.

Americans ate over 14 billion hot dogs last year -- an average of almost 80 hot dogs per person.

## Wagner Shows Feature Rides For Young, Old

Wagner shows will also be returning to St. Albert for the eighth time to set up a giant midway on the grounds. New rides have been added to their attractions which will bring the complement of rides being offered for the enjoyment of both children and adults to a number

of over 25. This midway, the largest Canadian Midway west of the Great Lakes, in addition to the rides, will offer numerous other attractions for the enjoyment of all. The midway will operate from 12 noon Saturday until closing on Sunday evening.

## Fashions West Expands In Mall

The first Fashions West store was founded in November 1971 by Keith and Peggy Schmidt when they welcomed their first customer in new premises at 152 Street and Stony Plain Road. Since then they've enjoyed steady progress. Their Edmonton store has become one of the leaders in the unisex shops in the city and now they can boast of a very extensive stock in casual clothing for men and women. It was at this juncture that they decided to branch out, and as Mrs. Schmidt puts it, "St. Albert was the natural place to open our second store."

Fashions West, located in the covered mall in Grandin Shopper's Park is another very attractive shop occupying 800 square feet and decorated cobra black and white. Contrasting the all-white walls and ceiling are jet black pants bins, lattice ceiling and gondolas. An especially quaint and useful string of five wagon-wheel display stands complete the decor of Fashions West. The rug is a bright magenta which gives the store a warm atmosphere.

Mr. and Mrs. Schmidt have established their business reputation in the unisex shop by stocking a full line of casual pants, tops and accessories. Jeans generally mean denim, but not at Fashions West. Here, you'll find jeans in a wide selection of fabrics such as cords, crushed cords (ribless), brushed denims, fortrelis and stretch. While shopping for tops, you have the choice of shirts, T-shirts, sweaters, shrinks, tanks, shells, jackets and so on.

"We expect to bring in our winter stock of coats," said Mrs. Schmidt, some-

time in August," She feels sure that her winter coats will also please her male and female shoppers.

During the first few months, Mrs. Schmidt expects to keep close supervision of her store here while her staff of two becomes better acquainted with Fashions West policies and the such.

Fashions West's stock is priced competitively with Edmonton's major pant shops. While some of its items are manufactured in Canada, Mr. and Mrs. Schmidt import many specialty items from Europe and Asia. Accessories include hand-bags, belts, socks and other items essential to complete casual ensembles for both men and women of all ages.

Owner and operator of Orange Julius, a newcomer to Grandin Shoppers Park is Mrs. Muriel Benko of 139 Ridgewood Terrace. Mrs. Benko, from her new outlet located right on the mall, specializes in a special drink called Orange Julius. This healthy refreshment has been extremely popular in the United States since 1972. It's only since a few years that this franchise made its appearance in Canada and Mrs. Benko's kiosk in the mall is one of four in Alberta. Besides Orange Julius, Mrs. Benko dispenses exclusive light snacks such as chilly dogs, mongrel dogs and the such.
